You will need:

Creativity

Crayons
and a pencil

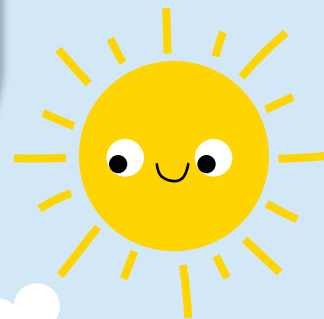

LEGO® DUPLO® bricks

ROAD TRIP

Hop into a caravan and set off on a wild adventure – through mountains, past lakes and deep into the forest!

Clouds can take on all kinds of shapes! Can you match these clouds to some things in the picture?

There's a "hoot hoot" coming from the forest. Can you draw the animal it's coming from?

Whooo's making that sound? Psst! They have big round eyes...

Wow! So much to discover! Can you point to all the things that live in and around the lake?

Want a super-fun activity to try at home?

Step 1: Build a caravan out of LEGO® DUPLO® bricks.
Step 2: Put masking tape on the floor to create a road.
Step 3: Enjoy your very own mini road trip. Cool!

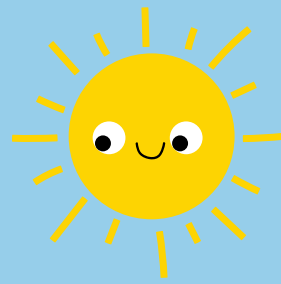

PARENT TIP

Name a few things that start with the same letter and have your little one point them out!

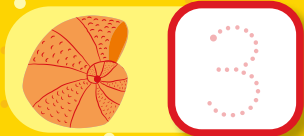

BEACH GETAWAY

Sun, sand and smiles. Are you ready to dive into seaside fun?

Find the seashells!

There are 5 different kinds of seashells hidden around the beach – some are big, some are small! Can you spot and count them all?

Can you draw a sandcastle here? Or build one using LEGO® DUPLO® bricks? Ready, steady, go!

Which crab is waving hello?

What's the name of this seabird?

Sandgull

Skygull

Seagull

PARENT TIP

Make this activity work for you and your child. Are they happier counting seashells, proudly spotting crabs or simply getting creative?

FARMYARD FUN

Wellies on – it's time to get stuck in at the farm!

Farm animals make all kinds of funny noises!

Can you match each sound to the right animal? Draw a line to join them!

Baaaa!

Neighhh!

Oink!

Cluck!

Moooooo!

Quack!

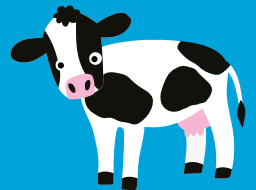

PARENT TIP

If your little one can't read the sounds yet, it's your time to shine! Dust off those drama skills and act them out together.

Can you bring this tractor to life with color?

Hmm... something isn't quite right.

Can you find the shadow that matches the cow?

Can you build your favorite farm animal out of LEGO® DUPLO® bricks? If it could talk... what would it say?

BIG CITY TOUR

Welcome to the big city! There's so much to see – so get your camera ready!

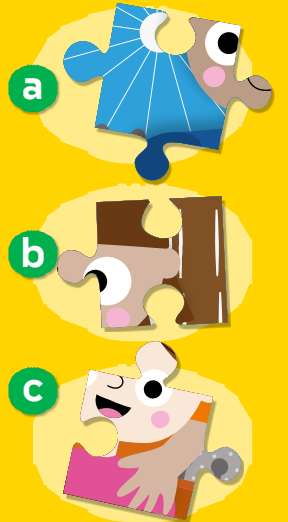

This wheel moves round and round. Show the spinning motion with your finger!

Look at the clock! Can you move your arms to match the hands? Tick-tock, be the clock!

What shape is this bus?
Tick the right shape!

Look at these big smiles in this happy holiday picture!
Can you find the missing puzzle piece to finish the photo?

The city is full of super-tall buildings!

Can you build an amazing skyscraper out of LEGO® DUPLO® bricks that would fit right in?

PARENT TIP

Add extra fun by asking your little one to plan their day in the big city. What would they see and do first?

LET'S GO CAMPING

Fresh air, forest trails and a crackling campfire. What could be better?

Get ready to pack!

Tick the things you would need for a camping trip:

	Tent	☐
	Rubber duck	☐
	Flashlight	☐
	Sleeping bag	☐
	TV	☐
	Fancy dress costume	☐
	Pillow	☐
	Crown	☐

Can you decorate this tent?
Add your own colors and patterns!

Uh-oh! You're lost in the forest – but you can see smoke from the campfire! Can you follow the right path to find your way back?

No camping trip is complete without a cozy campfire! Can you build your own campfire out of LEGO® DUPLO® bricks?

PARENT TIP

After building their LEGO® DUPLO® campfire, gather around for storytime! Ask your child to fill in the gaps: "There once was a named, who lived in a and loved to play"

READY, SET, DIVE!

There are so many treasures to discover and ocean friends to meet under the sea. Flippers on – let's make a splash!

Spotty, stripy, wavy – fish come in all sorts of amazing patterns!

Color the fish and give them cute patterns of your own.

Fun fact!

Dolphins "talk" to each other by making clicks and squeaks.

I spy some buried treasure!

Can you find the five differences between these two treasure chests?

What's your favorite ocean animal?

Try building it out of LEGO® DUPLO® bricks!

PARENT TIP

If your little one loves seafife, point to different creatures and see how many they can name – or make up names together!

SAFARI ADVENTURE

It's time to go wild! Grab your binoculars and let's go exploring...

Can you spot the animal who...

Has a big bushy mane

Has flappy ears

Has cool black and white stripes

Loves climbing trees

Has a loong neck

Can you make the sounds you'd hear on safari? A lion's **ROAR**, an elephant's trumpet, a monkey's "OOH-OOH-AH-AH"?

A giraffe has a super long neck! What would a lion or an elephant look like with a really long neck? Try building your own silly safari animals using LEGO® DUPLO® bricks!

PARENT TIP

If your little one isn't confident building with LEGO® DUPLO® bricks yet, they can draw the silly animals instead!

DESERT EXPEDITION

Time to explore the wonders of the desert. It's hot, hot, hot – but full of non-stop fun!

Being a camel in the desert is thirsty work!

Can you help guide this camel to water and find some shade?

PARENT TIP

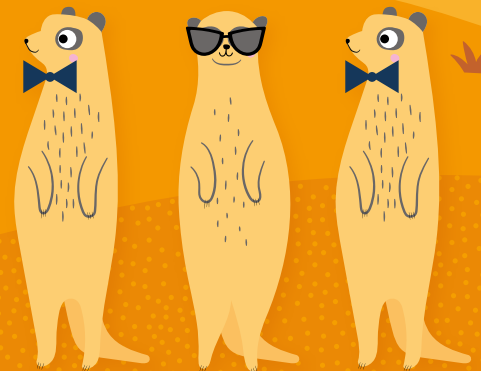

If you're viewing on a screen, let your little one trace the maze with their finger for a fun challenge that helps with fine motor skills!

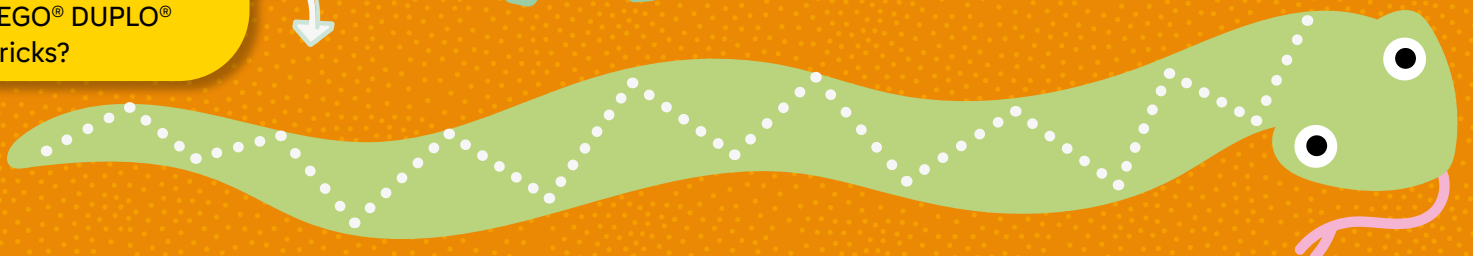

Can you trace the wiggly snake's pattern with your finger? Or build your very own slithery snake with LEGO® DUPLO® bricks?

Meerkats stand tall on their tippy toes to keep watch. Can you pose like this meerkat? What can you spot from up high?

These cheeky meerkats are on the lookout! Can you find the odd one out?

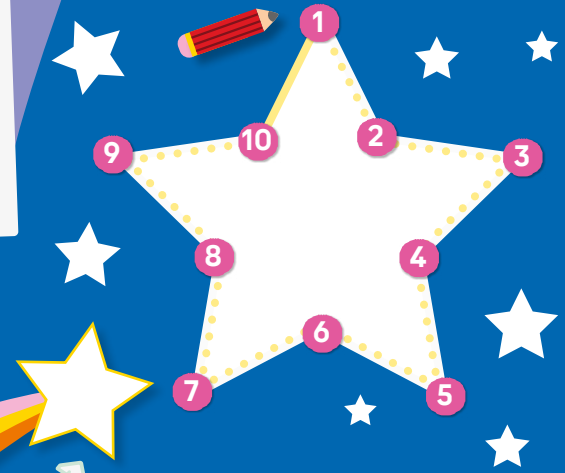

SNOWY ESCAPE

From soft snow to starry skies, magical surprises await you!

Color these stars with your favorite colors.

Finish the dot-to-dot star to make the night sky shine even brighter!

Quick, a shooting star!

Make a wish – or build your biggest wish out of LEGO® DUPLO® bricks. Maybe it will come true!

Look – paw prints! Which animal do you think made them? Tick the right one!

Hint: It waddles when it walks!

PARENT TIP

After making a wish or building a dream creation, ask your child to tell you the story behind it. You might be surprised what big dreams they share!
